

Evochi comes to Chesterton, IN

Last year we did our first European Market in Chesterton, Indiana. We met so many wonderful people there and many have now become great customers. We have been invited to participate again this year and we have accepted. Although the market runs every Saturday from May 31st until October 25, 2008 we will only be attending on opening day and every other Saturday.

For those of you who live out in that area we hope you'll come out and say "Hello"! For those of you who are looking to take a drive and get out in the sunshine this Saturday (yes....it's suppose to be sunshine and 78 degrees!!) you are sure to enjoy yourself as there are many wonderful vendors with an array of goods including gourmet foods, handcrafted products, plants, fresh from the farm produce, artisan baked goods, boutique creamy cheeses, freshly made crepes, and so much more.

Also from 10:30 am to 1:30 p.m. is a live jazz band performing in the park for your enjoyment.

Evochi has created some fabulous new products that will be shown for the first time at this venue. If you come and stop at our booth and mention this letter we will give you 10% off any items purchased that day!
