The NWI SBDC offers free assistance for entrepreneurs starting or expanding their businesses. Through one-on-one consulting, the NWI SBDC helps guide small businesses toward their goals by offering referrals, workshops, training opportunities and other essential business tools.

It is funded in part through a cooperative agreement with the Small Business Administration, the State of Indiana and other local partners.

The Hammond INnovation Center is a technology business incubator, a joint development of the City of Hammond and Purdue University Calumet. The center's mission is to help foster the growth and success of technology-based start-up companies in Northwest Indiana and accelerate their path to financial viability.
